When I was a kid, the highlight of my summer was participating in my library’s Summer Reading Program. My sister and I would plead with our mother to take us to our library so that we could check out books and get our points for the prizes. Little did I know that I was keeping my brain sharp and developing a lifelong love of reading. I can’t help but wonder if this also played into my lifelong love of public libraries.

Kids who participate in summer reading programs are more likely to continue their success the next school year. Overall, students can lose up to two months of reading skills over the summer. But, we are here to help! Reading just six books over the course of the summer will help keep your child’s mind sharp.

Remember that *listening* to a book is also a great way to encourage reading. Listening is a building block of reading. Let’s face it, there’s an element of comfort if you’re being read to. In addition to traditional audiobooks, the Library offers

Hoopla. Not familiar with Hoopla? It’s a digital audiobook service, and staff can help you to get started with this user-friendly resource.

We have some great programs scheduled for the summer which you can read about in the following pages. Our staff starts planning for the Summer Reading Program (because it’s not just a program but an **EVENT**) in January! This year’s theme, *Reading by Design*, has been brought to life by the eye-catching logo created for us by Deerfield High School senior Cassidy Jackson. Learn a little more about this talented artist on page 12.

Library Director

Fun is Always in Bloom @ DPL

We’re proud to announce that the Friends of the Deerfield Public Library have sponsored a special space designed just for little ones and their grownups. The Baby Garden is a fully-enclosed, cozy play area for infants and early walkers, with:

- A cushioned floor
- Developmentally appropriate toys that are regularly cleaned
- Engaging images, a mirror, and windows to the outside
- Hanging mobiles, so that even infants on their backs have something to engage them

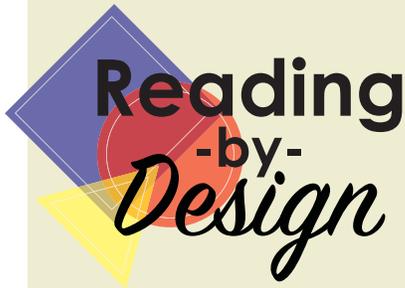

The Baby Garden is an ideal gathering space for caregivers of little ones, and features:

- A cushioned bench for adult comfort
- Close proximity to the Board Book and Parenting collections
- A natural light-filled space with a view to the outside

We are certain you will enjoy this welcoming, engaging, and safe space to play at the Library.

Every story has two sides. Every relationship has two perspectives. And sometimes, it turns out, the key to a great marriage is not its truths but its secrets. Lauren Groff presents the story of one such marriage over the course of twenty-four years. At age twenty-two, Lotto and Mathilde are tall, glamorous, madly in love, and destined for greatness. A decade later, their marriage is still the envy of their friends, but with an electric thrill we understand that things are even more complicated and remarkable than they have seemed. *For full enjoyment of this discussion, it is recommended that attendees have read the book. - The Friends are continuing to raise \$20,630 to fund the Baby Garden. The Garden was installed in March and is located in Youth Services. By becoming a Member of the Friends, you can help fund the project. Keep those memberships coming! We are now accepting payments by PayPal, which makes it easy to sign up. Link directly on our web page: deerfieldlibrary.org/friends-of-the-library. Also, shopping at our Used Book Store helps to fund this project.
- The Friends will be celebrating our **10 Year Anniversary** on August 14. Please join us for a **cake reception** that will be held in the first floor Library Café from 4:00-6:00PM.

Couldn't Have Done it Without You!

A big bag of thanks to the **Deerfield Community** for their generous contributions for our food drive for the West Deerfield Township Food Pantry. Also, thanks to **Whole Foods Deerfield** for loaning us a shopping cart for the lobby donations.

Star-bright thanks to the **Lake County Astronomical Society** for donating a telescope for patrons to check out.

A big thank you the **DPS 109 Library Information Specialists** for supporting our 4th annual Tournament of Books. With their help, our young patrons voted almost 6,000 times in the Tournament.

(l-r) Library Director Amy Falasz-Peterson with DHS artist Cassidy Jackson.

Summer Reading Logo Competition Winner

The inspired *Reading by Design* logo you see in this newsletter was created by Deerfield High School senior **Cassidy Jackson**. Cassidy's design was chosen through a competition organized for artists in the AP graphic design class taught by **Tim Bleck**. Participants met multiple times with DPL staff, providing the students an opportunity to learn about the Library's summer program, discuss their artistic vision, and receive feedback throughout the design process. Many thanks to Mr. Bleck for his skilled guidance to all involved, including DPL staff!
