

Storytime-to-Go Oceans

Read

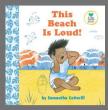

Julian is a Mermaid

This Beach is Loud!

Sea Shapes

Sing

Laurie Berkner's <u>The Goldfish</u> is a splashing good-time for kids to pretend to be fish, while <u>Bubble</u> <u>Bubble Pop</u> builds color knowledge.

Play

Go on a letter hunt for the letter "O" and see how many places you can find it! Look for the letter in your home and when you're in a store.

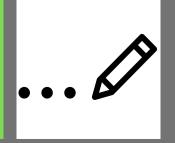

Talk

Talk together about oceans!

- What kind of animals live in the ocean?
- What would it be like to live in the ocean?
- What do you think the ocean smells like?

Write

Use a scarf—or a piece of fabric or a tissue to make your own scarf— to make ocean waves in the air. Try making large and small curves and circular motions. This helps kids prepare to write since many letters are made with curves or circles!
